For the term of this Agreement, the Board agrees not to bargain with any other organization for its employees defined in the above paragraph of this Agreement other than the Association unless and until any such other organization is found to be the exclusive representative with all of the rights, liabilities and duties which attach to an exclusive representative as defined in I. C. 20-29-2-9.

ARTICLE II

2017-2018

Section 1. Salary Range

The salary range is \$37,500 to \$70,000. Barring any unforeseen circumstances, all base salary increases described herein will take effect no later than sixty (60) days after all State data is received by the school district for the preceding school year upon which the salary increase is based.

Section 2. Compensation Model "A"

Teacher Compensation Model "A"

In accordance with Indiana statute, the EVSC credit based compensation model "A" compensates teachers earning full-time equivalent base salary up to \$63,540 annually based on successes determined by a set of performance standards. The 2017-2018 school year is a transition year because the parties have agreed to create a compensation plan that has equal increases for meeting the same factors. That compensation plan is effective for the 2018-2019 school year.

Base salary increases for eligible teachers are determined as follows:

- A. The total negotiated amount for base salary increases will be divided by all credits earned by all eligible teachers to establish a per credit dollar value. Eligible teachers are those who are in a paid status for a minimum of 120 days in a school year, have a completed evaluation, and receive an evaluation rating of Effective or Highly Effective.
- B. The sum total of credits earned by a teacher will be multiplied by the per credit dollar value to establish the teacher's base salary increase.
- C. The total negotiated amount for base salary increases for the 2017-2018 school year is \$1,400,000.00. (The negotiated amount is inclusive of any fixed charges associated with teacher salaries for the district such as FICA, Medicare, Teacher Retirement Fund, VEBA, 401a, 403b).
- D. One-time salary adjustment in 2017-18: Current teachers who were employed by EVSC in 2014-15 and whose 2014-15 salary matched Masters-6 through Masters-16 will receive a one-time base salary adjustment in 2017-18 according to the chart below. Salary amounts in the chart below are not inclusive of pay for additional hours or stipends of any kind. For

teachers to be eligible for either of these increases they must be in a paid status in 2017-2018 and had been in a paid status in 2014-2015.

2014-15 Row on Salary Schedule	2014-15 Salary amount	2017-18 Base Salary Adjustment
M6	38568	\$1,000
M7	40261	\$1,000
M8	41953	\$1,000
M9	43650	\$1,000
M10	45341	\$1,000
M11	47036	\$1,000
M12	48829	\$1,000
M13	50626	\$2,000
M14	52421	\$2,000
M15	54213	\$2,000
M16	56003	\$2,000

- E. One-time salary adjustment in 2017-18: Current teachers who were paid the Academic Needs credits as stipends upon completion of three consecutive years in accordance with prior collective bargaining agreements in the same Priority Status School, will have the sum total of the Academic Need stipends paid in 2015-16 and 2016-17 plus the equivalent of two 2017-18 credits applied to base salaries for the 2017-2018 school year.

The Teacher compensation model will award base salary increases to teachers earning credits as follows:

A. Evaluation Rating - Five (5) credits:

Teachers evaluated as Highly Effective and Effective will receive five (5) credits.

B. Academic Need - Two (2) credits (Academic needs are defined as Priority Status Schools):

Teachers who complete a year of service in a Priority Status School will receive two (2) credits. A Priority Status School is defined as a school that has been designated by IDOE as a Priority School for four (4) consecutive years or more and/or a school that has a free and reduced lunch percentage of 80% or more. The Academy of Innovative Studies First Avenue is included as a Priority Status School. Free and reduced lunch percentage will be determined by the average of the prior year monthly totals for September through May.

An itinerant teacher who spends 50% or more of the school day working in Priority Status School(s) will receive Academic Need credits provided that all other criteria is met.

C. Instructional Leadership – One (1) credit:

Teachers who complete twenty (20) hours of professional development as defined in Appendix A earn the instructional leadership credit.

The teacher has the sole responsibility for providing evidence of professional development hours to the evaluating administrator. All professional development hours that are to be considered for the instructional leadership credit must be completed by May 1st during the previous school year. After this date, any applicable professional development hours will be applied to instructional leadership credit for the next school year. Evidence of professional development hours must be uploaded to the EVSC evaluation tool for review and approval by the evaluating administrator.

Teachers that currently receive compensation for the possession of additional content area Master’s degrees will continue to receive the additional compensation until such time the individual retires or leaves the corporation.

The Superintendent or designee shall determine placement of newly employed teachers on the placement schedule as shown in Appendix B after review of education, experience, and previous salary. The superintendent or designee shall have the authority to recommend employment of a teacher at an increased rate based upon the needs of the school district and the availability of qualified teachers for the position. If during the hiring process it becomes apparent that the monetary value of the best candidate is such that a higher initial salary warrants more than a five level advancement, or placement above the highest current base salary, the placement will be discussed with ETA.

Section 3. Compensation Model “B”

Teacher Compensation Model “B”

In accordance with Indiana statute, the EVSC credit based compensation model “B” compensates teachers earning full-time equivalent base salary between \$63,540 and \$70,000 annually based on successes determined by a set of performance standards.

Base salary increases for eligible teachers are determined as follows:

The total negotiated amount for base salary increases is 2% for the 2017-18 school year. The

total sum of the increase is based on the employee's base salary and not inclusive of additional stipends. The performance pay is predicated on the employee earning the sum total of six (6) credits. If an employee earns less than the maximum of six (6) credits the percentage will be prorated accordingly, e.g. five (5) credits will receive 1.666% added to the base salary. Performance pay can be earned up to \$70,000.00.

Eligible teachers are those who are in a paid status for a minimum of 120 days in a school year, have a completed evaluation, and receive an evaluation rating of Effective and Highly Effective.

The Teacher compensation model will award base salary increases to eligible teachers earning credits as follows:

A. Evaluation Rating - Five (5) credits.

The teacher has the sole responsibility for providing evidence of professional development hours to the evaluating administrator. All professional development hours that are to be considered for the instructional leadership credit must be completed by May 1st during the previous school year. After this date, any applicable professional development hours will be applied to instructional leadership credit for the next school year. Evidence of professional development hours must be uploaded to the EVSC evaluation tool for review and approval by the evaluating administrator.

The Superintendent or designee shall determine placement of newly employed teachers on the placement schedule as shown in Appendix B after review of education, experience, and previous salary. The superintendent or designee shall have the authority to recommend employment of a teacher at an increased rate based upon the needs of the school district and the availability of qualified teachers for the position. If during the hiring process it becomes apparent that the monetary value of the best candidate is such that a higher initial salary warrants more than a five level advancement or placement above the current maximum base salary, the placement will be discussed with ETA.

Section 4. Extra Duties

Attached hereto and marked Appendix C is a list of the extra duties with pay, which will be effective

with the individual teacher's contract for the stated school year, available to teachers in the Evansville Vanderburgh School Corporation. Teachers assigned to extra duties by the Board will be paid in addition to their base salary not to exceed the amount or amounts opposite said extra duties on Appendix C attached hereto.

Section 5. Multiple Building Assignment

Teachers with multiple building assignments will receive mileage reimbursement at the established IRS rate(s). Teachers will submit a mileage claim form adopted by the State Board of Accounts to the building principal or immediate supervisor.

However, administrators may not require use of a teacher, as defined in Article I, to perform the ancillary duty of covering the class(es) of a teacher who has registered their absence with the substitute management system, unless a substitute cannot be secured.

The teacher must notify the superintendent of his/her intent to retire by February 1st of the school year in which he/she wishes to retire. The vesting requirements may be waived in cases of retirement caused by incapacitation or extenuating circumstances, provided the retiring teacher

provides satisfactory documentation to the Superintendent or designee.

Section 16. Early Retiree Insurance Benefits

Vesting Requirement: The teacher must be at least fifty-five (55) years of age by June 30 in the year in which they retire; have a minimum of seventeen (17) years of creditable service; and a minimum of five (5) current consecutive years of service with the EVSC. The teacher must notify the superintendent of his/her intent to retire by February 1st of the school year in which he/she wishes to retire. The vesting requirements may be waived in cases of retirement caused by incapacitation or extenuating circumstances, provided the retiring teacher provides satisfactory documentation to the Superintendent or designee.

Vested employees will be eligible to participate in the EVSC medical, dental, and vision insurance until he/she is age sixty-five (65) or qualifies for Medicare whichever occurs first. Eligible employees will be required to pay the full insurance premium.

Eligible spouses and/or dependents may remain on the insurance with the retiree until the spouse or dependent qualifies for Medicare.

A retiree who is eligible for the early retiree insurance that loses health insurance coverage during retirement due to a qualifying event may rejoin the EVSC health insurance plan within thirty (30) days of the qualifying event or during an open enrollment period.

For retirees meeting the above criteria who continue to carry family medical insurance, the Board will pay the difference between \$15,030 and the amount the EVSC pays for a family plan at the time the teacher retires. The Board will pay this family amount only as long as the retired teacher has eligible dependents that qualify the teacher for family coverage, is enrolled in an EVSC health insurance plan, and the teacher has not yet qualified for full Medicare coverage.

The Board will pay the difference for retirees enrolled in Plan F. Should a retiree choose a different insurance plan, the retiree will be responsible for the cost difference between Plan F and the insurance plan they choose.

Section 17. Contract Language Defining The Unfunded Retirement Benefits For Those Teachers Hired Before July 1, 2004

The contract language authorizing the unfunded retirement benefits described in the 2001-2003 and 2003-2006 agreements (401(a) Plan, VEBA) still remains in full effect. See the 2010-14 collective bargaining agreement for reference purposes.

ARTICLE IV

Section 1. Personal Business Leave

Each teacher employed on a Regular Teacher Contract will be entitled to three (3) days absence per year of employment prorated without loss of pay for the transaction of personal business and/or the conduct of personal or civic affairs. The teacher shall use the Personal Leave Request Form to request such leave. Such Personal Business Leave days may be taken in fractional units.

If in any one (1) year of employment a teacher shall be absent on Personal Business Leave for fewer than three (3) days, the remaining day(s) shall be accumulative to a total of eight (8) days. Accumulated Personal Business Leave shall not be used by a teacher for participation in a job action or to engage in other employment. Personal Business Leave days accumulated beyond eight (8) days will be transferred to the Accumulated Sick Leave days subject to the limits provided for in this Agreement. The teacher shall use the Personal Leave Request Form to request consideration for the use of any of the accumulated days provided for in this paragraph.

Section 2. Sick Leave Bank

The Evansville Vanderburgh School Corporation will establish a voluntary Sick Leave Bank (Bank). The Bank days may be used only for the illness of the Bank member.

A. Contributions

1. A teacher may voluntarily donate one (1) day of Accumulated Sick Leave to the Bank. At the Bank's inception, the Board will contribute a one-time match of one-half (1/2) day per teacher day contributed to the Bank. This contribution will entitle Bank members to withdraw benefits as listed below. All days donated to the Bank lose their identity as individual leave days. If a Bank member should leave the corporation, days donated by said member shall not be transferred to another corporation.

2. After the initial contribution of one (1) day, the members will be asked for an additional one (1) day contribution only when the accumulation of days in the Bank falls below five hundred (500) days. If a member refuses to contribute a day as requested by the Bank Committee, said teacher would cease to be a member of the Bank. However, in the event a current member of the Bank has no accumulated leave days to contribute, he/she may retain membership until September 1 of the next school year. At that time, said teacher will reimburse the Bank the appropriate number of days from his/her new allotment.

3. A Bank member who has received Bank days must remain a Bank member until all granted Bank days are repaid to the Bank. The repayment will be at a rate of one (1) day per school year.

New teacher vesting requirement - All newly hired teachers who voluntarily choose to participate in the Sick Leave Bank must complete 90 days in paid status before he/she shall be eligible to apply for Sick Leave Bank days.

4. All teachers new to the Bank may access a maximum of forty (40) days for the remainder of the initial school year. Beginning with the teacher's second year of participation in the Bank, a teacher who has used zero (0) Bank days the first year as a member, will start the second year with one hundred eighty (180) days. If the member used Sick Leave Bank days his or her first year of participation, the member will, at the start of the second year, have access to the remainder of the one hundred eighty (180) days. A teacher who becomes a Bank member after the first year as an EVSC employee must pay all past assessments since employment to become a member of the Bank.
5. Annual enrollment in the Bank must be completed by 4:00 p.m. on August 31 for membership to commence September 1.
6. There will be no withdrawals of days from the Bank except through the process listed in this document.

B. Granting of Days

A member of the Bank may be granted days from the Bank under the following conditions:

1. The teacher's Accumulated Sick Leave and Personal Leave days must be exhausted and the teacher must have been out of school for a period of five (5) consecutive attendance days without salary of any kind. Upon approval, salary shall return starting with the sixth day.
2. Written application by a Bank member or his/her family, accompanied by a physician's certificate verifying the nature, length of disability and prognosis of the Bank member's condition must be submitted to the EVSC Office of Human Resources. Application shall be made within thirty (30) school days prior to the expiration of all leave. The committee may waive the 30 day period in emergency situations.

3. Up to one hundred eighty (180) days may be taken over a two (2) year period. This period starts the first day the teacher receives Sick Leave Bank benefits. At the end of this two (2) year benefit timeline, or at the end of the one hundred eighty (180) day maximum leave, whichever comes first, a moratorium of one (1) year exists on access to Bank benefits. Following the one (1) year moratorium, members will be eligible for another one hundred eighty (180) days. The committee may require re-certification for continuation of benefits (up to 180 days) as needed.

The Board will administer the Bank. A Bank Committee to approve or deny the requests for benefits will be established. The committee will be composed of three (3) representatives appointed by the Board and three (3) representatives appointed by the Association. Applications will be acted upon by a majority of the Bank Committee. All decisions of the Bank Committee are final.

In the event a majority of the committee cannot reach a decision, the decision will be submitted to a mutually agreed upon third party to render a final decision. If Bank benefits are granted to the applicant, but the decision is not made by the end of the five (5) day exclusionary period, benefits will be retroactive to the sixth day. If no decision is made within twenty (20) days of the loss of salary and benefits, the applicant will receive Bank benefits until a decision is rendered. If Bank benefits are not granted to the applicant, benefits cease upon notification.

If a teacher is not able to return to employment after the use of all Accumulated Sick Leave days, Personal Business days and the total Sick Leave Bank days granted, he/she may request an unpaid leave of absence. This leave may extend up to a maximum of one (1) calendar year.

Application may be made by:

- A. Using the Extended Personal Leave as described in the contract.
- B. If Extended Personal Leave has been used within the previous seven (7) years, the teacher will be granted the leave under Board Policy 3430.

At the end of this one (1) year extension, the teacher must return to work or sever employment with the EVSC.

Upon any teacher's return to full-time assigned duty, any entitlement to Accumulated Sick Leave, personal leave, vacation, holidays and/or any other similar benefits shall be reduced on prorated basis. No additional leaves of absence will be granted to any teacher during the period when Sick Leave Bank days are being utilized.

Section 3. Presidents Leave

The Association and the Board agree that the Association president shall be released full-time from his/her duties to fulfill certain obligations as president of the Association. The replacement for the president will be hired on regular contract with all the benefits defined in this Agreement. The Association shall reimburse the Board for the cost of the Association president's released time by paying a share, equal to one-half the released time, of the salary, other money expenses related to employment of the Association president as a teacher, fringe benefits, and co-curricular stipends. The Board shall pay, in full, all ECA stipends for services rendered while serving as president. Further, the ETA shall pay, in full, all ECA stipends if the ETA decides to pay the ECA stipends for services rendered by the president at the time of his/her election. In all of the above cases, the total expenses shall be included in the salary reported to Indiana Public Retirement System.

Upon return from the leave provided for in this section, the Board will allow the teacher the option to return to his/her original school. In the event such position no longer exists, the teacher will be assigned a comparable teaching position or assignment.

Section 4. Professional Meetings and Workshops

The Board may grant to teachers a leave of absence without loss of compensation to attend professional association conventions such as, but not limited to, the National Council of Mathematics Teachers, the International Reading Association, professional meetings relating to educational workshops, seminars, or conferences sponsored by industry, professional associations, colleges, universities, or governmental agencies concerned with public school matters.

The building level computer coordinator may be granted professional leave for up to four (4) days for the purpose of staff development, expanding technology services, and facilitator training. These days will be assigned in cooperation with the building principal.

Section 5. Sabbatical Leave

The purposes of a sabbatical leave are to provide an opportunity for the career teacher to meet the ever-increasing need for excellence in teaching, to adapt to a constantly changing profession, and to increase his/her professionalism. A sabbatical leave for study may be granted when, in the considered judgment of the Board of School Trustees, the professional competence of the applicant and the general welfare of the students of the Evansville Vanderburgh School Corporation will be benefited. Such study must be directed toward the completion of either an approved Specialist or Doctoral program from an officially recognized Specialist or Doctoral degree granting agency. The approved course of study to be followed, outlining the plan for completing either degree program, must be submitted with the request for leave.

ELIGIBILITY: Any full-time teacher with a minimum of seven (7) continuous and active years in the Evansville Vanderburgh School Corporation at the date of application may be eligible to apply for a sabbatical leave. The continuous years of service must immediately precede the sabbatical. Substitute contracts are not recognized in computing years of continuous service.

LIMITATIONS: A sabbatical leave may be granted for not more than one (1) school year. The maximum number of leaves per year granted to teachers shall not exceed one percent (1%) of the total number of teachers.

APPLICATION PROCEDURE

- A. Application forms are available from the office of Human Resources.
- B. All applications for sabbatical leave must be submitted to the superintendent on or before February 1.
- C. At the discretion of the superintendent, shorter notice may be acceptable depending upon the nature of the opportunity or emergency arising.
- D. The applicant will be notified of approval or rejection within sixty (60) days.

APPROVAL OF LEAVE: All approvals for sabbatical leaves must be made by the Board of School Trustees upon the recommendation of the superintendent.

COMPENSATION

- A. Each individual granted a sabbatical leave shall receive one-half of his/her basic salary for the school year in which the sabbatical leave is granted, contingent upon the teacher completing one (1) full year of service following the teacher's return from sabbatical leave. The amount shall be paid to him/her during the first year following the leave. Upon returning to teaching, the recipient will be granted a contract paying the teacher's regular salary, plus the amount due for the sabbatical. Sabbaticals do not constitute teaching experience.
- B. All recipients accepting a sabbatical must enter into a written agreement with the Board in which they pledge to return to the Evansville Vanderburgh School Corporation employment for a period of not less than one (1) year.
- C. Should the recipient fail to complete the one (1) year of regular service in the Evansville Vanderburgh School Corporation upon his/her return, the salary amount due the recipient

will be prorated over the time served during the one (1) year following the leave.

- D. Procedures to be followed in the event of the termination of employment of the sabbatical scholar would be the same as if he/she were on active assignment, provided such scholar has previously paid benefit premiums applicable at that time. Should permissive legislation be granted to pay sabbaticals during the learning period, this shall be reopened for negotiation.

CONDITIONS

- A. Membership in major medical and hospital group insurance may be continued by paying the total premium on a monthly basis. The school corporation is not responsible for any late payments made by the teacher. Social Security payments cannot be withheld since the Evansville Vanderburgh School Corporation is not making payments to the recipient.
- B. During a sabbatical leave, Creditable service may be earned. (Creditable service is the amount of time that can be counted in the calculation of the pension portion of the TRF retirement benefit.) TRF is generally able to recognize board-approved leaves of absence granted by a school corporation (employer).
- C. Acceptance of fellowships or sources of supplemental income is permissible so long as they do not impede fulfillment of the purpose for which the sabbatical is granted.
- D. The individual returning after a leave shall have the privilege of resuming his/her former or a comparable position.

Section 6. Bereavement Leave

In the case of death in the immediate family of a full-time teacher under regular or temporary contract, the teacher is entitled to be absent without loss of compensation for a period of not more than three (3) school days for the purpose of attending the last burial rites and attending to other personal matters of the deceased's immediate family members. The above days must be taken within seven (7) calendar days following the death. This period of leave may be extended for a period of two (2) school days if needed by the teacher for the purpose of attending the last burial rites or to attend to personal matters of the deceased, or the teacher may use the two (2) school days at any time during the twelve (12) month period beyond such death for the purpose of attending to the affairs of the deceased. The term "immediate family" shall mean only parent, stepparent, legal guardian, spouse, brother, sister, child, current stepchildren, father-in-law, step father-in-law, mother-in-law, step mother-in-law, current son-in-law, current daughter-in-law, or any other person who at the time of such person's death was living as a regular member of the

teacher's household.

In case of a death of a grandparent, grandchild or current legal ward of a teacher, a full-time teacher under regular or temporary contract may be absent without loss of compensation for a period of not more than three (3) school days for the purposes outlined above. The above days must be taken within seven (7) calendar days following the death.

In the case of death of a grandparent of spouse, the teacher's uncle, aunt, first cousin, niece, nephew, current brother-in-law or current sister-in-law, not then living in the household of a teacher, a full-time teacher employed under regular or temporary contract may be absent one (1) school day without loss of compensation for the purpose of attending the last burial rites of such stated family member; provided, however, that the teacher attends such burial rites in person, that said burial rites occur while the teacher is performing duties assigned by the Board, that such burial rites do not occur during the time when the teacher is absent from assigned duties due to vacation, any leave of absence, sick leave, leave for personal business, or extended sick leave.

Section 7. Court Leave

Each full-time teacher employed under regular contract is entitled to a leave of absence without loss of compensation if summoned or subpoenaed to serve on local, state or federal court juries; to testify in court as a witness in a case in which the teacher is not personally involved; to testify in court in any lawsuit arising out of the performance of duties for or employment with the Board; or, to testify before a judicial or legislative body in regard to any matter arising out of the performance of duties for or employment with the Board for the number of days mandated by such summons or subpoena.

The teacher has the option of endorsing his/her court duty reimbursement check over to the school corporation. The payroll officer will then add the amount back into the teacher's forthcoming pay check.

If a teacher is released from jury duty during the teacher's duty day, the following will apply:

- A. If the time of dismissal from jury duty is earlier than 11:00 a.m., the teacher must report to his/her school.
- B. If the time of dismissal from jury duty is 11:00 a.m. or later, the teacher does not have to report to work for the remainder of the day.

the Military Selective Service Act of 1967, as amended, shall be given all rights and privileges provided by such Act.

Teachers on training duties of the State of Indiana or on training as a member of any reserve unit will be entitled to a leave of absence with pay up to fifteen (15) days for training duties.

Section 9. Association Leave

The Association will have a total of sixty (60) school days leave with pay for each year of this Agreement. Association leave unused in any given school year can be banked. The Association can designate which of its member(s) may take such leave. The Association president will notify the superintendent/Office of Human Resources when any of its designated members will be on Association Leave. The Association will pay the costs of substitute teachers who may be required to teach in place of its members designated to take the leave provided for in this paragraph.

Section 10. Legislative Lobbying Leave

Nine (9) days in each even-numbered year and thirteen (13) days in each odd-numbered year shall be available for release time for teachers to work on legislative matters, including visits to the Indiana General Assembly and related activities. The Association president will identify the individuals to be released under this provision. No teacher will be released more than four (4) days in any school year under this section. The Association will continue to work cooperatively with the EVSC to develop and promote a joint legislative program.

Section 11. Extended Personal Leave

Teachers under regular contract who teach one-half or more of the instructional day, may be granted extended personal leave for a period of up to one (1) school year. Such leave will be requested on the Extended Personal Leave Request Form in the same manner as any other leave. Any extended personal leave will be without pay or EVSC contribution to health insurance, vision, dental, LTD, life insurance, or fringe benefit of any kind. However, a teacher who has been granted extended personal leave may continue to participate in the group health insurance and life insurance made available by the Board, as well as other forms of insurance in which the teacher is participating at the time the leave is granted, if the teacher pays the full premium during the extended personal leave period according to the schedule provided by the Office of Business Affairs. If a teacher takes extended personal leave, the affected teacher will not be eligible to apply for additional extended personal leave for a period of seven (7) years.

To be eligible for consideration of leave under the provisions of this paragraph, a teacher must submit a request for leave prior to March 1 preceding the school year in which the leave is to be effective; provided, however, if circumstances develop which result in an unforeseen situation, the

superintendent, at his discretion, may waive the March 1 notification date.

Upon return of a teacher from the leave provided for in this section to employment with the Board, the Board will:

- A. Place the teacher in the same school, teaching position or other assignment(s) occupied or performed by said teacher prior to taking this leave of absence, provided the building principals choose to hold the teaching position during the leave of absence.
- B. Declare the teacher excess upon their return and place them according to the excess teacher procedures outlined in the administrative guidelines, provided the building principals choose not to hold the teaching position during the leave of absence.

Section 12. Advanced Study Leave

A leave for advanced study may be granted when, in the considered judgment of the Board of School Trustees, the professional competence of the applicant and the general welfare of the students of the Evansville Vanderburgh School Corporation will be benefited. The Board may grant a leave of absence without pay for advanced study to permanent teachers hired by the Board. In order to qualify for a leave of absence under this paragraph, a teacher must submit the course of study to be followed with the leave request and carry a full academic load while pursuing such course of study.

Upon return of a teacher from the leave provided for in this section to employment with the Board, the Board will:

- A. Place the teacher in the same school, teaching position or other assignment(s) occupied or performed by said teacher prior to taking this leave of absence, provided the building principals choose to hold the teaching position during the leave of absence.
- B. Declare the teacher excess upon their return and place them according to the excess teacher procedures outlined in the administrative guidelines, provided the building principals choose not to hold the teaching position during the leave of absence.

Section 13. Exchange Teaching Programs

Upon return of a teacher from the leave provided for in this section to employment with the Board, the Board will:

- A. Place the teacher in the same school, teaching position or other assignment(s) occupied or performed by said teacher prior to taking this leave of absence, provided the building principals choose to hold the teaching position during the leave of absence.
- B. Declare the teacher excess upon their return and place them according to the excess teacher procedures outlined in the administrative guidelines, provided the building principals choose not to hold the teaching position during the leave of absence.

Section 14. Professional Development Leave

Any regular, full-time teacher selected by the Board to provide professional development, peer coaching, training, etc. to employees (in place of his/her regular teaching assignment) will be allowed by the Board to return to his/her original position. This leave is limited to up to the length of the implementation timeline as described in the original grant.

In order to maintain the right to return to his/her original teaching position, the teacher must return to the classroom for a time equal to the length of the leave. A teacher who holds back-to-back (without returning to the classroom) professional development leaves, forfeits his/her right to return to his/her original position.

Section 15. Adoptive Leave

The Board shall grant a leave of absence without pay for up to one (1) year to a teacher employed full-time on a Regular Teacher's Contract for the purpose of adopting a child. For a teacher adopting a preschool child, either the mother or the father will be allowed to use up to twenty (20) sick leave days within the year of adoption for the nurturing of the new family member.

Upon return of a teacher from the leave provided for in this section to employment with the Board, the Board will:

- A. Place the teacher in the same school, teaching position or other assignment(s) occupied or performed by said teacher prior to taking this leave of absence, provided the building principals choose to hold the teaching position during the leave of absence.
- B. Declare the teacher excess upon their return and place them according to the excess teacher procedures outlined in the administrative guidelines, provided the building principals choose not to hold the teaching position during the leave of absence.

Section 16. Anticipated Temporary Disability

Where a temporary disability can reasonably be anticipated because, but not limited to, scheduled surgery, pregnancy or hospitalization for diagnostic purposes, or any other illness or quarantine where the teacher's attending physician establishes a specific period of time such teacher will be unable to work, the following will apply:

- A. The teacher will report the Anticipated Temporary Disability to the building administrator or immediate supervisor; and, at that time, will project the anticipated period of time when he/she will be unable to work.
- B. If the teacher does not desire to use paid sick leave for the Anticipated Temporary Disability, the teacher may request a leave of absence with loss of pay up to one (1) year.
- C. If the teacher desires to use paid sick leave for the Anticipated Temporary Disability, the teacher will remain on the job until such time that the attending physician establishes conclusively that the teacher is unable to work. At the time the teacher is declared unable to work by the attending physician, the teacher is eligible to use available paid sick leave in accordance with the established policy applicable to such leave. After available paid sick leave has been used, the teacher may request a leave of absence without pay up to one (1) year. If the Anticipated Temporary Disability, as substantiated by the attending physician, is due to pregnancy, said teacher may request a leave of absence without compensation up to one (1) year any time between the date of commencement of the pregnancy and the date of delivery, provided she notifies the Office of Human Resources at least thirty (30) days prior to the date on which she desires to start her leave.
- D. If requested by the principal, the teacher requesting a leave of absence because of an Anticipated Temporary Disability who continues to perform duties assigned by the Board will submit a monthly statement signed by such teacher's attending physician verifying such teacher's ability to continue to satisfactorily perform the duties assigned by the Board.
- E. In requesting a leave due to temporary disability, the teacher will inform the Office of Human Resources of the desired beginning and ending dates of the projected leave. Unless unusual circumstances prevail, the beginning date will coincide with the beginning date of a semester or grading period and the ending date will be after such teacher has given five (5) school days' notice (in writing) that the teacher is available for work. If at any time prior to the date the leave of absence is to start, the Board determines that the teacher's condition affects his/her work, causes incapacitation to the teacher, or causes the teacher to be off work, the Board may start the leave of absence at an earlier date.

F. If the temporary disability is emergency in nature, the teacher will immediately inform his/her building principal or immediate supervisor and make proper arrangements for his/her absence as per established policy Accumulated Sick Leave days and, where applicable, Sick Leave Bank days will apply to any leave taken under the provisions as defined in Article IV, Section 16, qualification(s) and/or fitness of said teacher(s) to return to employment and perform normal assigned duties.

Section 17. Worker's Compensation

Teachers injured on the job shall receive worker's compensation benefits for such medical services as determined by the Department of Labor Industrial Board provided treatment is obtained by the EVSC worker's compensation provider. Teachers injured on the job and treated by the EVSC worker's compensation provider shall receive full salary, minus worker's compensation benefits, for days absent as a result of on-the-job injuries as determined by the Department of Labor Industrial Board. Days absent as a result of on-the-job injuries which are treated by the EVSC worker's compensation provider shall not be charged to the teacher's sick leave days.

Section 18. Background Checks

EVSC will pay the cost of the expanded criminal history check as prescribed in Indiana statute (IC 20-26-5-10).

ARTICLE V

Section 1. Grievance Procedure

A grievance means, and shall be limited to, an alleged violation or misapplication of a specific provision of this Collective Bargaining Agreement as related to the teacher assignment, and such grievance shall be settled and determined through the following procedure:

AN INFORMAL GRIEVANCE: Within seven (7) teacher attendance days of the time the grievant knew or should have known of the act or condition upon which it was based, the grievant must present the grievance to the grievant's principal or the principal's designee by meeting individually and privately, in an informal manner during nonteaching hours. If requested by the grievant, an Association building representative may be present at this informal meeting, in which case the principal may have a person of his/her choice present. Failure to so meet and discuss the alleged grievance shall prevent the grievant from filing said alleged grievance at any formal grievance level(s). Within seven (7) teacher attendance days after presentation of the grievance, the principal or the principal's designee shall give an answer verbally to the grievant.

FORMAL GRIEVANCE - LEVEL 1: Within five (5) teacher attendance days of the verbal answer, if the grievance is not resolved, it must be filed by the grievant or the Association with the principal in writing, signed by the grievant, on the appropriate grievance form. This written grievance shall: Name the teacher(s) involved; state the facts giving rise to the grievance; state the date such facts arose; identify by reference the specific paragraph(s) of this Agreement alleged to be violated; and state the specific relief requested. Within seven (7) teacher attendance days after receiving the written grievance, the principal shall give an answer in writing, using the agreed to grievance form.

FORMAL GRIEVANCE - LEVEL 2: In the event that the grievance is not resolved at Level One (1), or if no written decision has been rendered within the time provided, the grievance may be moved to Level Two (2), provided it is filed with the chief of staff or the within either ten (10) teacher attendance days of receipt of the written answer at Level One (1) or the date on which the answer should have been received. The grievance shall include a copy of all materials and/or evidence previously submitted. The grievant shall submit the written grievance, signed by the grievant, to the chief of staff. The grievant may request a meeting with the chief of staff prior to the issuing of a written decision. The written decision of the chief of staff will be rendered within fifteen (15) teacher attendance days of receipt of such written grievance. The chief of staff or designee may investigate the grievance, and time up to an additional ten (10) teacher attendance days shall be automatically allowed if the chief of staff determines further investigation is necessary. If, following discussion with the superintendent of schools or his/her designee, the Association is of the opinion that a grievable situation exists which affects a group or class of teachers or involves teachers in

more than one building, the Association may submit such grievance in writing to the chief of staff directly and the processing of such grievance shall be commenced at step two (2) of the formal grievance procedure.

In any grievance involving back pay, such grievance shall be filed in writing within seven (7) teacher attendance days from the time the alleged violation was to have occurred. If the grievance involves payment of wages, then it must be filed within seven (7) teacher attendance days of any teacher's receipt of the pay check containing the basis for such grievance. All claims for back pay shall be limited to the amount of wages that the teacher would have otherwise earned, less any unemployment or compensation from any other source that such teacher may have received during the period of back pay. No decision in any one case shall require a retroactive wage adjustment in any other case.

Failure at any level of the Grievance Procedure to render the decision on a grievance within the specified time limit shall permit the grievant to proceed to the next step, unless said time limit to be extended by mutual consent of the parties. However, a grievance must be moved by the grievant to the next level within the specified time limit for that level or said grievance shall be deemed resolved on the basis of the answer at the previous step. In the event a grievance is filed after May 15 of any year, the Board shall cooperate in processing such grievance prior to the beginning of the next school year.

ARBITRATION

If the grievance is not satisfactorily settled in level 2, the aggrieved employee may submit a written appeal to the Superintendent or designee within five (5) workdays after the decision in Step 2 is rendered. Upon receipt of the appeal, a conference will be scheduled with the aggrieved employee; the (1) Employee representative; the board of school trustees and the Superintendent and/or designee(s). Following the conference, the Superintendent or designee will render a written decision on behalf of the board.

ASSOCIATION DEDUCTIONS

The Board agrees to deduct from the wages of its teachers the general and uniform professional dues for the Evansville Teachers Association, the Indiana State Teachers Association, and the National Education Association, and Association-approved voluntary assessments for each teacher in the bargaining unit defined in paragraph 3 whose written and signed authorization and assignment has been submitted to the Board on a form agreed to by the Board and Association. The Association membership year shall be from September 1 to August 31. All memberships are continuing memberships and will continue in effect from year to year unless the member notifies the Association in writing that the member wishes to revoke his or her membership. Any written revocation of membership must be postmarked or received by the Association no later than fifteen (15) days prior to the year in which the membership is to be canceled. Revocation of membership must include a date and original signature. Professional dues and/or Association assessments will be deducted in equal amounts from each payroll check beginning with the first payroll check issued in October, or in equal amounts from the payroll check remaining after notification by the Association that dues are to be deducted. The professional dues deducted by the Board under this paragraph will be remitted to the financial secretary of the Association within thirty (30) working days after the deduction.

As necessary, the Association will certify in writing to the Board the current rate of professional dues to be deducted under the provisions of the above paragraph by September 1, of any year.

The Board agrees to the terms and conditions of this paragraph and of the written and signed authorizations and assignments submitted to it to the extent that this paragraph and such documents are, and each of them is, applicable under existing law.

The Association agrees that it will defend, indemnify and save harmless the Board against any and all claims made upon or any suits instituted against the Board arising out of any action of the Board taken pursuant to the provisions on Association Deductions as set forth in this Agreement.
