SECTION 1: OVERVIEW/GENERAL INFORMATION

McKinney-Vento Homeless Assistance Act:

The Education for Homeless Children and Youth (EHCY) program is authorized under Title VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C 11431 et seq.). (McKinney-Vento Act). The McKinney-Vento Act was originally authorized in 1987 and most recently re-authorized on December 10th, 2016 by Every Student Succeeds Act (ESSA). The McKinney-Vento Act is designed to address the challenges that homeless children and youths have faced in enrolling, attending, and succeeding in school.

Under the McKinney-Vento Act, State Educational Agencies (SEAs) must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including public preschool education, as other children and youths. Homeless children and youths must have access to the educational and related services that they need to enable them to meet the same challenging State academic standards to which all students are held. In addition, homeless students may not be separated from the mainstream school environment. SEAs and local educational agencies (LEAs) are required to review and undertake steps to revise laws, regulations, practices, or policies that may act as barriers to the identification, enrollment, attendance, or success in school of homeless children and youth.

Definition of Homeless (McKinney-Vento Act Sec. 725 (2); 42 U.S.C 11435 (2)):

Section 725(2) of the McKinney-Vento Act defines “homeless children and youths” as individuals who lack a fixed, regular, and adequate nighttime residence. The term includes children and youths who are:

- Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason (sometimes referred to as “doubled-up”)
- Living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations
- Living in emergency or transitional shelters, or abandoned in hospitals
- Children and youths who have a primary nighttime residence that is a public or private place not designed for, or ordinarily used as, regular sleeping accommodation for human beings (living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings)
- Migratory children who qualify as homeless because they are living in circumstances described above.
- Unaccompanied Youth- children or youth who meet the definition of homeless and not in the physical custody of a parent or guardian (sometimes referred to as “couch surfing”)

The definition of homeless is an “individual lacking a fixed, regular, adequate nighttime residence.”

Residency and Educational Rights

Students who are in temporary, inadequate, and homeless situations have the following rights in the Evansville Vanderburgh School Corporation (EVSC):

- Immediate enrollment in the school they last attended or the school in whose attendance area they are currently staying even if they do not have all of the documents normally required at the time of enrollment
- Access to free meals and textbooks, Title I and other educational programs and other comparable services including transportation.
- Attendance in the same classes and activities that students in other living situations also participate in without fear of being separated or treated differently due to their housing situations

Procedures for the Dissemination of Educational Rights

All schools within the Evansville Vanderburgh School Corporation (EVSC) shall ensure that public notice of the educational rights of students and families in homeless situations is disseminated where children and youth receive services under the McKinney-Vento Act. Posters in English and/or Spanish will be posted in all school buildings, local shelters, local hotels/motels, and local food banks.

SECTION 2: IDENTIFICATION AND ELIGIBILITY

Title I Services and Funding:

In the Evansville Vanderburgh School Corporation (EVSC), all children and youth who qualify for McKinney-Vento services are automatically eligible for Title I, Part A services, whether or not they attend a Title I, Part A school or meet the academic standards required of other students for eligibility (Title I of the Elementary and Secondary Education Act, Sec. 1115 (b)(2)(E); 20 U.S.C 6315(b)(2)(E)). This automatic eligibility acknowledges that the experience of homelessness puts children and youth at significant risk of academic failure, regardless of their previous academic standing. Additionally, all EVSC children and youth who qualify for McKinney-Vento Services who are doing well academically are entitled to receive additional non-instructional education-related support services needed to succeed in school.

School Selection:

The Evansville Vanderburgh School Corporation (EVSC) will keep students in homeless situations in their school of origin defined as the school attended when permanently housed or the school in which they were last enrolled, unless it is against the parent or guardian's wishes or unless it is determined to be in the student's best educational interest. Students and youth who qualify for McKinney-Vento Services are eligible to remain in their school of origin for the duration in which they are homeless and until the end of any academic year in which they move into permanent housing. Students and youth who qualify for McKinney-Vento Services may also choose to enroll in any public school that students living in the same attendance area are eligible to attend.

Procedures to Identify and Verify Eligibility of McKinney-Vento Students:

All Local Education Agencies (LEAs) are required to identify students experiencing homelessness. To collect this information, school staff in the Evansville Vanderburgh School Corporation (EVSC) will identify McKinney-Vento students through outreach and coordination with other entities and agencies. In addition, front-line school staff (secretaries, counselors, social workers, enrollment personnel) will immediately notify the District McKinney-Vento Liaison when they suspect or confirm that a student may be living in a homeless situation. EVSC staff will exercise sensitivity when talking with students and parents, who often are afraid to identify themselves as homeless due to fears of stigma or negative repercussions. A Housing Questionnaire (Appendix A) will also be available for all new student enrollments. Follow-up contact to verify the information provided will be conducted by either the District or Building level McKinney-Vento Liaison.

SECTION 3: SERVICES AND STANDARDS

For unaccompanied youth, the EVSC will provide transportation to and from the school of origin at the request of the District McKinney-Vento Liaison. If the student's temporary residence and the school of origin are in the same district, the EVSC will provide and/or arrange transportation to and from school. If the student is living outside of the Evansville Vanderburgh School Corporation, the EVSC, along with the school corporation of where the child is living will share the responsibility and cost of providing transportation to and from school.

Students and youth who qualify for McKinney-Vento Services are eligible to receive these transportation services for the entire duration in which they are homeless and/or until the end of the academic school year. Requests for transportation will be revisited the following school year and a determination will be made if a student is still eligible for McKinney-Vento Services.
