2130 - BELIEF STATEMENTS

We Believe:

- A. Every person is important and is entitled to respect, understanding and appreciation for his/her uniqueness.
- B. Every person is entitled to a safe, caring, learning environment.
- C. The core business of schools is to ensure that every student, every day is provided challenging, engaging and satisfying work.
- D. Education of our students is the shared responsibility of everyone - the home, the school and the community.
